## MY LEGACY GIFT TO HAMILTON

With pleasure, I document my revocable legacy gift as described below, acknowledging my desire to contribute to the financial strength of Hamilton College and impact its students in perpetuity.

Please contact me to discuss the specific purpose of my future contribution and membership in the Joel Bristol Associates.

Note: Hamilton recognizes your thoughtful future support and pledges to maintain complete confidentiality. The College acknowledges that all estate provisions are revocable and any intentions stated here are not binding on you or your estate. For individuals who will reach 70 years of age before the end of 2022, your future estate gift may be included in the Because Hamilton capital campaign, if you wish.
